**HOTEL DIRECTOR**

Please consult the tablet in your suite for complete information on the ship's dining and room service options, bars & lounges, activities and entertainment possibilities, services and general information.

I am thrilled to welcome you on board the luxurious *Crystal Symphony*.

All of us on board sincerely hope that the elegance and charm of our ship, along with the pleasant nature of our staff and crew, will provide you with a vacation experience unlike any other. We want you to know that every member of our staff and crew has but one goal: to ensure that you have the best cruise experience ever.

The key word to describe the onboard experience we offer our guests is choices, and *Crystal Symphony's* design presents more of them than ever.

For example, you will find that you have a wide variety of dining options with open seating allowing you to dine as you wish. **Waterside** is located on Deck 5. Here you will find a diverse array of culinary choices for breakfast, lunch and dinner, plus an extensive selection of fine wines. You may also choose to enjoy your evening in one of our two specialty dinner restaurants by reservation: **Osteria d'Ovidio** in collaboration with **Alajmo** - one of Italy's most revered culinary families - offers innovative and elegant Italian cuisine, and **Umi Uma** features the renowned Asian cuisine of Nobu Matsuhisa, both located on Deck 6. **Beefbar**, born in Monte Carlo, on Deck 11, Midship, brings you an exciting fusion of global street-food flavors, where Beef, Reef, and Leaf come together in creative dishes made from the freshest ingredients. Place your bets on table games with the unique *savoir-faire* of Monaco's world-famous casino or be excited about the dynamic range of slots to hit the jackpot - an ultimate way to embrace the thrill of the game in an elegant atmosphere adorned in the hues of the historical building.

*Crystal Symphony* also features an extensive enrichment and activities program. ## Crystal Symphony's Master Captain Tonci Hladilo

Tonci is born and raised in Dubrovnik, Croatia, a seaside town with a long maritime history and tradition. It wasn't hard to be inspired and choose a seaman's career.

After completing Maritime High School in Dubrovnik, Tonci commenced his service as a deck cadet with a local cargo company. After one year, he completed his exams and received a deck officer license.

He continued his education at the Nautical College of Dubrovnik as a part-time student while continuing to sail on various cargo ships as a Third Officer and later as a Second Officer. With his experience and a Bachelor's diploma from the Nautical College of Dubrovnik, he gained his Master Mariner License.

In 2002, he had the opportunity to join his first passenger ship as a Second Officer on the former Renaissance ships (R-ships) where he continued his career as a Chief Officer for a couple of years. During his early passenger ship career, he continued his education at the University of Dubrovnik where he earned his Diploma in Management of the Nautical Sector.

One day he received the opportunity to join *Crystal* and feels privileged to be part of the *Crystal* team. He has sailed on *Crystal Symphony*, *Crystal Serenity*, and the former *Crystal Esprit* in various positions as he excelled through the officer ranks.

Tonci is now delighted to serve as Captain on *Crystal Symphony*, his home away from home.

Captain Tonci is married and resides in a countryside town called Cavtat, south of Dubrovnik. He enjoys out-door activities and sports.

His lifelong motto is "Be curious and never stop learning."

# WELCOME TO MALÉ, MALDIVES

## Port Information

*Crystal Symphony* is scheduled to anchor off Malé, Maldives at 7:00 PM today, Wednesday, February 18, 2026.

The Local Port Representative for Malé is Asia Pacific Superyachts. In the event of an emergency while ashore, please contact them at +960 777 5591.

As soon as the ship is cleared by local authorities, an announcement will be made that guests may proceed ashore via the ship's tenders.

**The tender platform is located on Deck 4. Please use the midship elevators to access this area.** When going ashore please remember to carry your **guest identification key card** with you as you must show it to the security officer at the gangway when exiting and re-boarding the ship's tenders. In addition, please also carry an **official photo ID** such as a national card or driver's license with you ashore.

**No food or plants may be taken ashore due to local agricultural and quarantine regulations.**

*In respect for the Maldives' Islamic customs and traditions, guests are requested to dress conservatively when visiting religious sites. Shorts, miniskirts, low-cut tops, sleeveless shirts and dresses and high-heeled shoes should not be worn to religious sites. Shoes must be removed before entering mosques. It is suggested to bring a pair of socks if you are wearing sandals and do not wish to be barefoot. Women should cover their heads, shoulders, and knees before entering places of worship.*

Continuous tender service operates from the ship to the tender landing at Jetty 2, opposite the Republic Square in downtown Malé. The local shops and restaurant of downtown Malé are within walking distance of the tender pier.

**Please note that the tender service will pause at 2:00 AM and resume at 7:00 AM tomorrow, Thursday, February 19.**

Limited taxis are available in Malé. It is recommended to agree on a price before setting off on your trip. Most taxis do not accept credit cards.

The local unit of currency in the Maldives is the Maldivian Rufiyaa (MVR). The current rate of exchange is approximately USD \$1.00 = Rf 15.40. U.S. Dollars and Euros are generally accepted.

***Crystal Symphony* remains anchored overnight off Malé, Maldives.**

## Malé, Maldives

With colorful markets, historic mosques, and bustling streets, Malé offers a lively contrast to the serene atolls that have made the Maldives so famous. As the political and cultural heart, the city, homes almost a third of the archipelago's population and introduces visitors to a vibrant urban center that blends tradition and modernity. But that's not to say that Malé doesn't have its fair share of pristine beaches and turquoise waters. The city recently added an artificial beach of white sands and shallow waters which creates an ideal environment for swimming. For those who are willing to travel a little out of the capital, the Maldives' ubiquitous tropical havens are just a short boat ride away.

## Tender Safety

For your safety and comfort during tender operations, please observe the following:

- Do not attempt to embark or disembark from a tender until signaled to do so by a member of the tender crew.
- When stepping in or out of the tender, have both arms free. Please accept the assistance of the crew, but do not grip their hands, as this will immobilize them.
- Please pass hand-carried items to a crew member prior to boarding the tender.
- Be seated as soon as possible after you have boarded the tender and remain seated for the entire tender ride.
- Please do not stand up until the tender has been secured alongside either the tender stage or the landing ashore.
- Listen carefully to instructions given by the tender crew. They are there to assist you.
- Smoking is prohibited on board the tender as well as in the embarkation area on board.
- Please notify the tender crew if for any reason you feel uncomfortable.
- Guests in electric wheelchairs or those who are unable to take a few steps without assistance from a supportive device will be unable to board. Please note that collapsible wheel chairs are allowed, but the guest must be independently mobile to board and exit the tender boats. There will be crew members there to guide and steady guests who are embarking the tender, but they cannot support, carry or lift guests on board the tender for safety reasons. Motorized wheelchairs and electric mobility scooters are not allowed on tenders.

### World Affairs Lecturer Major General Craig Whelden, U.S. Army

Craig began his leadership journey as an Eagle Scout at age 14. Thirty years later, he was the youngest General in the U.S. Army. Together with another nine years as a member of the Senior Executive Service (SES) with the U.S. Marine Corps, he led thousands of

Soldiers, Sailors, Marines, and Civilians.

A member of Purdue University's ROTC Hall of Fame, Craig is a four-time national award-winning, international bestselling author, and a motivational speaker on leadership and performance excellence.

### Destinations Lecturer Roger Harris

Roger received his PhD in Information Systems after a career as a Systems Analyst advising organizations on their use of computers. Underlying his passion for adventure travel, this enabled him to live for a time in South Africa, Oman, and Saudi Arabia - ultimately settling in Hong Kong where he set up a successful

travel company with his Chinese wife. Just as the internet began to take over the world, his attention turned to advising underserved rural societies in developing countries on their use of IT for alleviating poverty and exclusion. Working at a university in Malaysian Borneo, he engaged with remote and isolated communities in the island's mountainous and forested interior, bringing them computers and the internet, and empowering them with the skills for using the technology for their particular needs and aspirations. This led to him becoming an honorary member of one of the indigenous peoples of Borneo. He moved into professional consulting with the major international aid agencies as well as several governments and civil society bodies. These entailed assignments in 15 Asian countries, further indulging his travel passion and accumulating personal experiences that enable him to reveal more about them than the average travel guide.

### Wood Carvings & Pesky Critters

Please note that, when we visit other countries, there are certain unavoidable characteristics inherent in the flora and fauna. For example, when purchasing a wood carving, or perhaps a souvenir wrapped in packing materials or a wooden crate, there may in fact be small worms or bugs present, some of which may not be visible to the human eye. To safeguard the risk of infestation, we kindly ask you to do the following:

- 1) Wooden items should be surrendered to our Security Staff upon reboarding *Crystal Symphony*, ensuring that your items are properly labeled with your name and stateroom. They will be placed in our freezers for 48 hours, to ensure that all undesirable adult bugs and their eggs are quickly and humanely eliminated. The items will be delivered to your stateroom after the indicated "freeze time" has passed.
- 2) Please dispose of the item's original leftover packaging.

## Hambantota, Sri Lanka

Arriving in Hambantota, you will likely have Sri Lanka's wildlife on your mind. Just over an hour away is Yala Safari Park, a jungled, grassy, lagoon-rich sanctuary bordering the Indian Ocean, which provides refuge for one of the world's biggest leopard populations, as well as elephants, sloth bears, and jackals. Closer to the port is Bundala National Park, a mosaic of dunes and waterways harboring nearly 200 bird species, among them greater flamingos that flock in for the winter, creating a dazzling, pink spectacle. The park is also home to elephants, civets, giant squirrels, marine turtles, and the fearsomely named mugger crocodiles. But Hambantota itself is not short of attractions. Witness fascinating harvesting and production processes at Hambantota Salt Factory, where vast salt pans shimmer in the sun. Explore the region's rich cultural history at Magampura Ruhunu Heritage Museum, or pay a sobering visit to the area devastated by the 2004 tsunami, learning about the community's experience, resilience, and rebuilding.

### In Town Tonight Aaron Kavanagh

Aaron trained as a Musical Theatre performer and studied at the prestigious Royal Conservatoire of Scotland, in Glasgow. Since graduating, Aaron has

traveled the world performing on numerous cruise lines and stages celebrating the music, wardrobe and of course; the many spectacles of Sir Elton John. He has also performed in multiple productions of Richard O'Brien's "The Rocky Horror Show" and has "Time Warped" across the globe over 500 times, playing the roles of Frank 'N' Furter, Brad Majors, Riff Raff, Rocky, Eddie, Dr Scott and the Narrator.

With a keen determination to study music from a young age, Aaron began playing piano quite late; at the age of 13. He never enjoyed playing classical music and hated the syllabus of music being taught in his lessons. Deep down, Aaron knew that rock and roll was more his thing and took his piano playing inspiration from the musical stylings of Elton John, Billy Joel and Peter Allen.

**Now, having many years' experience of performing the Rocket Man's music worldwide; Aaron hopes to see you Crocodile Rock-ing in the aisles at 9:30 PM in the Galaxy Lounge.**

## In Town Tonight | Andrew Bateup

Andrew Bateup is an International Vocalist, receiving nationwide acclaim in 2021 when he reached the Semi-Finals of 'The Voice UK'. He has performed all over the world in musical theatre productions including 'Mamma Mia', 'Joseph & The Amazing Technicolor Dreamcoat' and 'The Choir Of Man'. His exciting career to date also includes singing with 5-time Grammy Award winning vocal group 'The Swingle Singers' and recording music on some of the latest Hollywood blockbusters.

Andrew is in high demand due to his outstanding vocal ability, charming personality, charisma and impressive piano skills. Inspired by multiple generations & genres of music, his incredible shows are not to be missed.

## Piano Entertainer | Neal Fullerton

Neal was born in London and from a very young age, he was crazy about music! He started singing early around 6 - which annoyed his family as they didn't normally wake up until 7:30 AM. Neal picked up a guitar at the age of 8 and the man in the music shop told him to put it down. Undeterred he taught himself to play, and as a teenager performed in some of London's most deprived dive-bars.

At 16 he started to teach himself piano and although Neal doesn't read music and is not classically trained - he is at least house-trained. His great ambition is to eventually start using the black keys.

In addition to his musical performances, he is a Comedy Magician and Mentalist - with the distinction of having never worked with either David Copperfield or David Blaine.

When he's not entertaining on the ocean, you'll find him on the international Motivational Speaker circuit. Look him up on YouTube doing all kinds of interesting things! Whatever he's up to he always brings joy and laughter, creating a warm, welcoming and fun atmosphere.

## Redeeming Shipboard Credits

Guests sailing with us often receive shipboard spending credits or onboard gifts. These 'As You Wish' credits are intended to enhance your cruise experience giving you the opportunity to enjoy additional shipboard amenities and services as you wish. Kindly note that shipboard credits are not redeemable for cash and any unused shipboard credits will be forfeited at the end of your voyage. Crystal would like to clarify our policy regarding these credits and gifts.

Shipboard spending credits may be applied to any onboard purchases or services normally charged to your shipboard account. These include gift shop purchases, shore excursions, private dance lessons, private golf lessons, photographs and digital cameras, medical charges, doctor visits/consultations, laundry and dry cleaning, beauty salon or spa treatments and wine purchases.

Shipboard spending credits may not be applied to Le Casino de Monte-Carlo, supplemental crew gratuities, immigration related charges, port charges, future cruise bookings, or suite upgrades.

Further, any credits not used during your cruise cannot be exchanged for cash or "held" on your account for a future cruise (with the exception of back-to-back sailings).

***Any unused shipboard spending credits expire 12 hours before your disembarkation.***

Previous books include *Evidence of Evolution* (Abrams), *Archipelago* and *Remains of a Rainbow* (National Geographic); *Witness* and *Here Today* (Chronicle Books). ## Port Blair, Andaman Islands, India

Situated on South Andaman Island, in the center of the Bay of Bengal, Port Blair, the entry point (and capital) for visiting the Andamans, is well and truly off the tourist trail. It's incredibly remote, Just 36 of the 500 island archipelago are open to visitors and with no commercial airport, non-residents to the region are few and far between. Lack of tourists however means good news for the local wildlife. 86% of the Andamans are covered with forest, so wildlife is one of the main attractions here: 270 species of birds (including 14 endemic birds) call the islands home, while underwater the kaleidoscopic marine life is rich and plentiful. The island once served as a penal colony and Cellular Jail, built by the British when India was under colony in the 18th century, offers a chance to see how the colonial government of India treated its exiled criminals and political prisoners.

Ana Maria Jurpik was born in Buenos Aires, Argentina and raised in the Seattle area of Washington State. She discovered her ability to render at a young age and now resides in the community of 7 Oaks in Scarborough, Ontario, Canada.

Throughout her adult life, Ana has explored many forms of artistic expression, studying subjects from still life to life drawing and working across mediums including painting, sculpture, and music. She is currently the lead singer and lyricist of the Toronto-based indie band KRoVE, and her music reflects the same diversity and exploration found in her visual art.

## Malacca, Malaysia

If ever a place embodied a mix of cultures, it is Malacca. Here, the red-hued Dutch square gives way to terraced Peranakan townhouses, a gold-domed mosque and a Buddhist temple flanked by mighty painted tigers. No wonder, because this 14th-century Malay kingdom stronghold later became a heaving and hauling spice trade port under the Portuguese and Dutch and is now one of the most historic and kaleidoscopic cities in Malaysia. Explore the sizzle and smoke of Jonker Walk in Chinatown for a taste of it all, where stalls sell local craft and antique treasures, alongside coconut ice cream, black-pepper-topped barbecue corn and even hammered candy.
