Please consult the tablet in your suite for complete information on the ship's dining and room service options, bars & lounges, activities and entertainment possibilities, services and general information.

I am thrilled to welcome you on board the exceptional *Crystal Serenity*.

All of us on board sincerely hope that the elegance and charm of our ship, along with the pleasant nature of our staff and crew, will provide you with a vacation experience unlike any other. We want you to know that every member of our staff and crew has but one goal: to ensure that you have the best cruise experience ever.

The key word to describe the onboard experience we offer our guests is choices, and *Crystal Serenity's* design presents more of them than ever. For example, you will find that you have a wide variety of dining options with open seating allowing you to dine as you wish. **Waterside** is located on Deck 5. Newport, Rhode Island

A stylish, world-famous yachting center with a long tradition of elegance, the colonial sections of Newport boast many authentic historic buildings, some dating back to the 1600s. Most impressive are the opulent summer "cottages" built by industrial-age tycoons. Fashioned after palaces of Europe, their interiors boast lavish use of marble, alabaster, gilt, mosaics and stained glass complemented by magnificent furnishings and fine tapestries.

Crystal Destination Experiences

Please note that all guests participating in *Crystal Destination Experiences* are required to have a valid booking number for the specific cruise during which the excursion is offered. We are sorry that visitors and outside guests cannot be accommodated on our tours ashore.

Please check your tickets to ensure they list the specific shore excursion(s) which you pre-reserved. If the tour listed on the ticket(s) you receive is incorrect, please bring the ticket(s) to the Shore Excursion Desk to exchange them for the correct tour. Crystal Serenity's Master Captain Birger J. Vorland

Raised on the small Norwegian island of Bømlo, south of Bergen, Captain Birger Johannes Vorland spent most of his youth around ships. Growing up on the island, many of his relatives and friends were drawn to careers at sea. Captain Vorland was no exception, having grown up with a father who was a prominent sea captain.

At age 19, young Vorland became a seaman on a cargo ship sailing the North Sea. He then completed his military service and went overseas on cargo ships before making the transition to his first luxury cruise ship in 1983. Captain Vorland then began

his officer training in Norway. After returning to sea for practical experience, he subsequently attended nautical college for an additional three years.

In 1988, Captain Vorland progressed to the position of First Officer back on his first cruise ship that he had left five years earlier. The following year he was promoted to Chief Officer — a position he held on two different cruise ships.

He continued to work his way up through the ranks with two cruise lines, serving as Staff Captain beginning in 1994 and then as Master of his first passenger ship in April 2000.

In 2002, Crystal approached Captain Vorland to see if he would consider joining the Crystal Family. After a brief moment to think over the matter, he accepted the offer and began his stellar career with Crystal in early 2003 as Master on board *Crystal Harmony*.

His tenure as Vice President, Nautical Operations was initially supposed to last just two to three years. However, it ended up being a total of seven and a half years. During his time in the corporate office, Captain Vorland retained his licenses and, from time to time, served as master on both Crystal ships when the need arose.

As any Crystal guest knows, the call of the sea is a strong one. And, in mid-2012, Captain Vorland decided he would like to return to the seagoing life he loves. Coincidentally, a vacancy became available for master of *Crystal Serenity* and Captain Vorland was happy to step in and assume this leadership role on one of his favorite ships. As he says, "To command the world's highest rated cruise vessel was an opportunity too great to pass up."

When he is not at sea, Captain Vorland resides with his wife, Dana, in Sherman Oaks, California, and he makes at least one trip a year back to his native Norway. In either locale, he is most often found enjoying the outdoors. An avid hunter and camper, Captain Vorland also enjoys photography and mountain biking.

Time to Say *Au Revoir*

“Back home” can conjure up all sorts of comfortable places and experiences in our mind’s eye. As this wonderful cruise comes to an end, we must admit there is a feeling of wanting to be back to the familiar things of our homes, families and friends.

But then, tucked away in our imaginations, is the idea that just maybe the cruise won’t end; maybe we’d like it to go on just a bit longer. After all, we’ve met such beautiful people, and we’ve had such a good time.

Everyone on board has had that warm satisfaction of meeting new friends, sharing the cruise and establishing a camaraderie that has made this trip the best. I’m sure we’ll all remember many things from this special voyage.

During our days, we had the opportunity to enjoy the amenities that make me proud to serve on *Crystal Serenity*. The fine cuisine of course, the entertainers, the warmth and dedication to excellence of the Crystal crew – perhaps the best on the seven seas. These are things not soon forgotten, and things I have been happy to share with you.

A sage once said that “home is where the heart is,” and the heart never lies. Though you are leaving, please know that your friends at Crystal are always ready to welcome you back home aboard the beautiful *Crystal Serenity*.

Bon voyage; have a safe trip home.

Theatre credits include: Judas in "Jesus Christ Superstar" (UK tour); The "Piano Man" in the Billy Joel musical "Movin' Out" on Broadway, West End and North American tour; The American in the UK, European and Canadian tour of the musical "Chess"; and Paul McCartney in "Let it Be" on Broadway, UK tour and in the West End.

Destination Lecturer | Eric Ball

Eric Ball is a third generation Californian whose ancestors sailed across the Atlantic to their new lives in the American colonies in 1654. Later generations traversed the Great Plains in the 19th century by covered wagon and railroad to reach the Pioneer West.

Eric first began traveling as a child with his parents. Each summer the family would pitch the tent somewhere in the Western United States and Canada. Fascinated by both historical figures and events, Eric is an avid traveler. As an adult, Eric began the first of over 60 cruises in 1988. He has lectured on eight cruise lines, sailing the Atlantic and Pacific Oceans, the Caribbean Sea, and Drake's Passage, combining his knowledge of history with his travel experiences.

Eric has presented programs on ships sailing to South America, Alaska, the Caribbean, Antarctica, Hawaii, Tahiti, and Europe including the Mediterranean, the British Isles, and Scandinavia and has traveled to such unusual destinations as Pitcairn Island, Easter Island, and Antarctica. Eric makes these destinations come alive with captivating photographs and stories of the people who shaped world events.

On behalf of all of our officers, staff and crew, we are committed to doing everything we can to ensure this is your most wonderful vacation.

Tender Safety Reminders

For your safety and comfort during tender operations, please observe the following guidelines:

- Please do not crowd onto the landing platform or gangway area.
- Do not attempt to embark or disembark from a tender until signaled to do so by a member of the tender crew.
- When stepping in or out of the tender, have both arms free. Please accept the assistance of the crew, but do not grip their hands, as this will immobilize them.
- Please pass hand-carried items to a crew member prior to boarding the tender.
- Be seated as soon as possible after you have boarded the tender and remain seated for the entire tender ride.
- Please do not stand up until the tender has been secured alongside either the tender stage or the landing ashore.
- Listen carefully to instructions given by the tender crew; they are there to assist you.
- Smoking is prohibited on board the tender as well as in the embarkation area on board.
- Please notify the tender crew if for any reason you feel uncomfortable.
- Guests in electric wheelchairs or those who are unable to take a few steps without assistance from a supportive device will be unable to board.

Please note that collapsible wheel chairs are allowed, but the guest must be independently mobile to board and exit the tender boats. There will be crew members there to guide and steady guests who are embarking the tender, but they cannot support, carry or lift guests on board the tender for safety reasons. Motorized wheelchairs and electric mobility scooters are not allowed on tenders.

Time to Say *Au Revoir*

"Back home" can conjure up all sorts of comfortable places and experiences in our mind's eye. As this wonderful cruise comes to an end, we must admit there is a feeling of wanting to be back to the familiar things of our homes, families and friends.

But then, tucked away in our imaginations, is the idea that just maybe the cruise won't end; maybe we'd like it to go on just a bit longer. After all, we've met such beautiful people, and we've had such a good time.

Everyone on board has had that warm satisfaction of meeting new friends, sharing the cruise and establishing a camaraderie that has made this trip the best. I'm sure we'll all remember many things from this special voyage.

During our days, we had the opportunity to enjoy the amenities that make me proud to serve on *Crystal Serenity*. The fine cuisine of course, the entertainers, the warmth and dedication to excellence of the Crystal crew – perhaps the best on the seven seas. These are things not soon forgotten, and things I have been happy to share with you.

A sage once said that "home is where the heart is," and the heart never lies. Though you are leaving, please know that your friends at Crystal are always ready to welcome you back home aboard the beautiful *Crystal Serenity*.

Bon voyage; have a safe trip home.
